STRONG LANGUAGE.

STRONG LANGUAGE.

J. B. Loughran, ex-mayor of North Des Moines, and the Locust street manufacturer of steam engines and boilers, said recently to a Mail and Times reporter: "I have just recovered from a severe attack of la grippe. I was laid up for three weeks. I used Chamberlain's cough remedy and applied Chamberlain's pain balm to my breast. These remedies were just the thing in my case. My child had croup some years ago, and we used Chamberlain's cough remedy with perfect success; since then we have never been without these medicines in our house. I had a cousin who was a printer and was employed in a job office in this city, where they were printing circulars for Chamberlain. He had a deep seated cold and a terrible cough, and while setting up the copy he made up his mind to buy a bottle. It cured his cough and that was the first time I ever knew anything of Chamberlain's remedies. I have been strongly in their favor ever since. My own experience and that of my family convinces me that these remedies are the best in the world. That may be strong laftened, but it is what I think."—Des Moines, Ionon, Mail and Times.
